SANTA CRUZ VALLEY CITIZENS
COUNCIL APPLICATION FOR
REHEARING

APPLICATION FOR REHEARING OF DECISION NO. 75268

Pursuant to A.R.S.40-253(A), the Santa Cruz Valley Citizens Council ("SCVCC") submits its Application For Rehearing ("Rehearing Application") of certain aspects of the Commission's Decision No. 75268. More specifically, and in the interest of brevity, SCVCC incorporates herein by this reference and adopts as the substantive text of SCVCC's Rehearing Application the following portions of the Residential Utility Consumer Office's ("RUCO") September 24, 2015 Application For Rehearing of Decision No. 75268: (i) page 3, lines 7-14 and Footnote 3; (ii) page 4, lines 17-20; (iii) Exhibit "B"; and, (iv) Exhibit "C" and (v) Exhibit "D". In summary, the phase in rates for Tubac over a three year period should reflect the amounts depicted in RUCO's "Exhibit B" versus the incorrect amounts that were calculated as shown in RUCO's "Exhibit C." In addition, the amendment put forth by Commissioner Little that would reduce the "corporate allocations" for Tubac by \$100,000 should be approved. This amount of EPCOR Tubac's total operating expenses was imbedded in expense lines other than the corporate allocation expense line that already represented about \$42,000 of expense. This

1 additional amount is not only inappropriate but very burdensome to ratepayers of this small water
2 district.
